FIFTEEN CENTS

## Larson receives assessor post

Kenneth Larson, 38, of Antioch has been named Lake County supervisor of assessments. The appointment was made at a County Board meeting May 14.

"I'm going to perpetuate a lot of the programs that already exist. I will take time to sit back and evaluate to decide on any change," said Larson.

If any, changes will be 'minor', said Larson, as for the most part he agrees with the status quo of the office.

Larson defeated Waukegan Township Assessor Patrick Morris for the \$36,000 a

year position. Both passed the state certified test needed to qualify for the job.

Larson is a graduate of Antioch Community High School and attended Eastern Illinois University. He has been employed in the county assessments office since 1969. He is also a paramedic and serves as secretary for the Antioch Rescue Squad.

Larson will be replacing Robert Jasper of Winthrop Harbor, who is retiring May 31 after serving more than two decades as supervisor.

"I'm happy I've gotten here," said Larson.

## Eight arrested in area burglary ring

by LEE ANN MACKULIN

Eight have been arrested in a Channel Lake area burglary ring, according to Detective Greg Guntharp of the Lake County Sheriff's Dept. The six men and two juveniles are all from the Antioch area.

The group is responsible for 17 residential burglaries dating back from January of this year until the most recent April 27.

"We've recovered \$4,500 worth of stolen property," said Guntharp.

The six adults, Keith Leben, Jeffery

Grady, John Grady, Frederick Scollay, Anthony Giordano and Gary Kopernik all face residential burglary charges which carries a 4-15 year prison term in the state penitentiary, said Guntharp.

An outstanding warrant is out for Scollay who is believed to be in Florida. The rest, except for Giordano who is being held on a \$50,000 bond, are out on bail, according to Guntharp.

Petitions will be filed through the juvenile court system for the two juveniles involved.

## Northern States Co. shows marked increase

Paul Pavelski, president and director of the Northern States Trust Co., Antioch, has announced a marked increase in the company's equity fund (common-trust fund). A 12 month return of 24.778 percent was shown for the period ending March 31, 1985, compared to a return of 12.197 percent the previous year.

"Our customers greatly benefited from

our investment expertise," said Pavelski.

The company's fund proved more profitable than other investment vehicles such as U.S. Treasuries or Money Market Funds, said Pavelski.

Northern States Trust, formerly Antioch Trust, is a owned subsidiary of Northern States Financial Corporation, which is the holding company for Bank of Waukegan.

## ACHS to get interest from county on taxes

Bette Meyer, Antioch High School Board of Education member for 17 years, submitted her resignation from the board of education because she has relocated out of the district. The board presented Meyer with a plaque in appreciation for her many years of service.

Mike Zeien will be appointed to fill the unexpired term until the fall election. A

belated plaque was also presented to Bill Brook for his 15 years of service on the board from 1958 to 1973, at the last regular meeting of the board on May 16.

Budget Committee Chairman, Frank Walsh, presented the supply and equipment requests for the 1985-86 school year and the board approved them as presented. The combined requests represent a maximum increase of 6 percent.

Letters of congratulations from Gov. Thompson and State Supt. Ted Sanders were read by Board Sec. Julie Portalski, noting the excellent rating given to the Antioch Community High School (ACHS) literary magazine, "Finesse," by the National Council of Teachers of English.

The board employed the following teachers for the 1985-86 school year: Claudia Maher, first semester in home economics; Deborah Cummins, English; Charon Neul, speech and Cheryl Cox, English.

In other action, the board approved amending the current year's budget in the amount of \$192,200 in the education section. This amendment was made necessary by the negotiated early retirement benefit selected

## Ceremony to kick off outdoor show

To kick-off the Antioch Chamber of Commerce and Industry's First Annual RV, Boat and Auto Show May 23-25, Mayor Raymond Toft and other village officials will be on hand for a ribbon-cutting ceremony, at 10:30 a.m.

The ceremony will symbolize another proud-of-Antioch achievement by the chamber.

Many area dealers will have displays set up from 11 a.m. to 9 p.m. May 23, from 10 a.m. to 9 p.m. May 24 and from 9 a.m. to 4 p.m. May 25.

Entertainment will be provided by Ernie Levas for 7 to 9 p.m. Thursday, PM&L's Damn Yankee group singing on Saturday,

the Lucky Charms Thursday and Friday from 4 to 6 p.m. and more.

Raymond Chevrolet-Oldsmobile, Lyons and Ryan Ford, Pittman Pontiac, Pedersen GMC, Hucker and Sons Chrysler, Sequoia Harbor, Fox Lake Harbor and Fun-in-Sun Marine, All Season's RV and Countryside RV will be the dealers involved.

Area financial institutions (i.e. State Bank of Antioch and First National Bank) will provide financial information for those serious about purchasing a new vehicle.

A concession stand will be available for the hungry show-goers.

Chairman of the show is Ray Scarpelli Jr. and co-chairman is Larry Hanson.

## Police seek Burke

The Antioch Police Dept. has issued a warrant for the arrest of Philip Burke for "deceptive practice (a felony)", said Lt. Tom Fisher.

"He has written several bad checks in our town alone," said Fisher.

A few years ago, Burke spent time in the county jail for assault with a deadly weapon at the Country House on Rte. 173, according to Fisher.

If convicted, as a felon, he could receive a jail sentence of a few years, he said.

## Admirers attend reception

A heart-warming crowd turned out May 19 to wish a dear friend, Warren Polley, well.

Polley, superintendent of Antioch Community High School for 13 years and active in the district for 37, is retiring.

A scrapbook filled with rewarding memories of the past 37 years was given to Polley as a token of everyone's affection.

The two-hour reception saw many admirers and friends reminiscing about Polley's achievements, and how much the school has benefited from his expertise in school administration.

The general feeling... Warren Polley will be dearly missed at Antioch Community High School.

## Good news in The News

### AARP sets elections

The Antioch Area Chapter 387 of the American Assn. of Retired Persons (AARP) met on May 14. The nominating committee presented the new slate of officers. Elections will be held June 11.

Clara Haling distributed post cards to be sent to our senators and congressmen. Be sure to mail these in, as vital issues are at stake.

Tickets are being sold for the Installation Dinner, Picnic and Bi-State Luncheon. May 28 is the next meeting, where a craft and bake sale will be held. Let's have a good attendance.

# ACHS grads prepare

The 1985 Antioch Community High School Commencement Ceremony will be held at 2 p.m., June 9, in the North Gym.

Admission will be by ticket only. Each graduation candidate will receive four tickets at the graduation practice May 29. Candidates desiring additional tickets may receive up to two or more on a first come first serve basis. The additional tickets will be distributed to the candidates from 8 a.m. to 4 p.m. May 30 in the principals office. If any tickets are left, they will be offered May 31.

For underclassmen, students should be seeing their counselors to verify their enrollments for the 1985-86 school year. Changes in enrollment may be made and a free period or teacher may be requested until June 28. Sound planning is advised as after the above date, student initiated requests for changes will not be honored.

A limited quantity of yearbooks are still for sale and may be ordered until June 4 or until supply is exhausted. The books are \$16 and may be ordered from the Guidance Office.

# ACHS plans May activities

Antioch Community High School is preparing for several activities for the month of May.

A 'Career Fair', at 1:15 p.m. May 2, will be open to all high school students with learning and achievement difficulties.

There will be ten employers present to talk about their career fields, plus a list of 30 written job descriptions for various career fields.

The fair, in room 160 and 161, is open to any interested parent or student. For more information on the fair call 395-1421.

The thirteenth Annual Blood Drive will be held from 8 a.m. to 3:30 p.m. May 21 in the North Gym.

Faculty, parents and students are urged to give blood. Students must be at least 17 years old and bring proof of age with them and a signed parent's permission slip. Call 395-1421 (Ext. 244) for an appointment.

# Plans program

Antioch Parks and Recreation together with the Antioch Jaycees are offering parents the chance to take a precautionary measure with the safety of their children.

Operation Fingerprint will be held 9 a.m.-2 p.m. May 25 at the State Bank of Antioch.

Operation Fingerprint, will involve the taking of a set of fingerprints and a photograph of each child participating. This is a protective measure designed to help reduce the number of missing children in the surrounding area.

For more information on the program call Antioch Parks and Recreation at (312) 395-2160.

## Sequoits look to regionals

by LEE ANN MACKULIN

The Antioch Sequoits look to come back from a disappointing conference season when they play at Zion Benton in the first game of the Warren Regionals May 21. The Sequoits have yet to play Lake Forest May 20, in the last of this season's conference games. The game against Zion will be a chance for the Sequoits to get revenge after losing to them 8-2 May 14.

Antioch saw four singles

and Jim Kauth's solo home run off Enright, a junior who went the distance.

Zion, 9-7 in the league had three-run rallies in the first and seventh innings.

The results of the May 16 North Chicago game were not available at press time.

If the Sequoits beat Zion, they will go on to play in the quarter final games of the Warren Regionals at Warren May 23.

Antioch is 3-12-1 overall.

## VFW plans parade

The Antioch VFW will begin the observance of Memorial Day on Saturday, May 25 with a dance to be held at the VFW home. The New Pep-Tones Band will entertain. Admission is \$1.

In honor of the sacrifice of these men, the VFW will sponsor a Memorial Day parade. Everyone will meet at Antioch High School at 9 a.m. and the kick-off will begin at 10 a.m. on Monday, May 27.

### Bernet

Richard K. Bernet, son of Shirley A. Bernet of 20450 W. Miller Road, Antioch and Elroy D. Bernet of 6101 Capulina St., Morton Grove, has been promoted in the U.S. Air Force to the rank of airman first class.

Bernet is an aircraft maintenance specialist at Tyndall Air Force Base, Fla. with the Air Defense Weapons Center.

## Little league kicks off

Kicking off the Antioch Little League season were the Cubs. (sponsored by Lyons and Ryan Ford) and the Giants (sponsored by White Hen Pantry. The Cubs

were victorious with a 7-5 score.

## Area dealers offer 'ultimate package'

by LEE ANN MACKULIN

"Anyone who wants to go boating should be able to go boating with this package," said John Moulis, of Fox Lake Harbor.

Moulis is referring to the 'ultimate' package deal that the harbor and Lyons and Ryan Ford will be offering at the Antioch Chamber of Commerce and Industry's First Annual RV Boat and Auto Show May 23-25.

A Bayliner Capri 1400 (No. 1 selling boat) hooked up to a Ford Escort (No. 1 selling car) will be going for under \$10,000 said Moulis.

"People think that if you buy a boat you have to spend

\$20,000...that's not true.

People also think that you need a large crew to pull a boat...that's not true either," said Moulis.

"We thought this would be a good match...a recreational get-together," said Bill Burns of Lyons and Ryan Ford.

The uniqueness of the Bayliner boat lies in the manufacturing, said Moulis.

Bayliner does the "total manufacturing" including all components and instruments. This is compared to others who send out for various parts, said Moulis.

## Along the way with ANNIE MAE

I hope all of you Mom's had a lovely Mother's Day! Did you have to buy your own gift like I did? One thing about that is you get exactly what you want and it costs more than what the rest of the family might have spent. Now we have to wait another year to splurge ourselves.

Shirley Gutowski is having a double celebration—Mother's Day and on Tuesday the 14th she and hubby Bernie celebrate 30 years. I think the whole neighborhood is celebrating as Bill Carney is having a birthday May 23. I won't say which one it is. (By the way it is old Bill not young Bill.)

Speaking of Sterbenz's, you must go out and see their deck! What a lovely addition and I understand they are going to start lunches. Hurry Up Guys!

Congratulations to Jeff and Linda on their 7-lb. 14-oz. baby boy Jake. He will join the Sterbenz household with Melissa and Eric.

I bet everyone went to the lovely carnival in town two weeks ago. What a festive ad-

dition to our community. You Mason's should be very proud to have added something that nice. It was a great way to bring in the lovely summer weather.

The Jaycees had a lovely dinner at the Antioch Tower Room on the 4th honoring Glenda Tomaschik and the Antioch Advertiser for community service. It was a nice affair, with dancing afterwards. It is their 25 year anniversary and the president of 25 years ago was honored also, Bob Lubkeman who attended with his wife Annette.

Larry Hanson and Ray Scarpelli Jr. are doing a great job with the RV Boat and Auto Show scheduled for May 23-25. It sounds like a great line up and lots of festivities in the parking lot by the water tower. Boy's that parking lot hopping these days. Wish the water tower was a little more respectable.

Anyone that puts out a flag be sure to keep an eye on it. There were a few missing the other night about town.

**VILLAGE GATHERING**—Glenda Tomaschik, Antioch Parks and Recreation director, Shirley Gutowski, of the village hall and Village Clerk Marilyn Sterbenz enjoy the First National Bank's open house May 7 in the bank's lobby. # WHEN YOU HURT YOU NEED CARE NOW

## You don't want or need to wait for an appointment

**WE ARE HERE WHEN YOU NEED US - AS WE HAVE BEEN FOR THE PAST 7 YEARS**

A recent article published in the newspaper discussed Condell Memorial Hospital's purchase of the Westlake Medical Center Building. The article has caused many of our patients to wonder if we are still here and continuing to provide medical care to the Round Lake area.

**We would like to share our response with you.**

I read with great interest your recent article on the purchase of the Westlake Medical Center in Round Lake by Condell Memorial Hospital. We were gratified to see appropriate attention given to this major investment by the hospital in the Round Lake community. We welcome the hospital as our newest landlord and expect that its increased involvement in the community will benefit all of our citizens.

While highlighting the "takeover" of the Westlake center by Condell, the article raised a number of questions in the minds of our patients. The confusion stems, we believe for the suggestion implicit in your article that the medical and dental care at the Westlake Building from now on will be provided directly by Condell Hospital or physicians and dentists directly affiliated with the hospital. This is not the case. The same doctors and dentists who have served the people of Round Lake in the past remain as tenants and will continue to serve their patients. We expect, of course, that the hospital will recruit additional physicians so that a broader range of health care service will be available on site.

We have been the major tenant in the Westlake building since its opening in July, 1980. Before that, we provided medical care to citizens of Round Lake at the original Westlake Family Healthcare Center in Ingleside. Our commitment to the area dates back to 1978.

During those seven years, we have honored the wishes of our patients concerning referral for specialist or hospital care. That will continue to be the case. Our patients will continue to be

hospitalized at the institution of their choice.

Condell has chosen to change the name of the center. In anticipation of this change - and to reduce the likelihood of confusion - we recently changed the name of our practice from "Westlake Family Healthcare Center" to "Doctors on Duty, Ltd." From its inception in 1978, this practice has been an affiliate of Emergency Physicians Group, Ltd., which is the largest provider of primary medical care in Lake County.

In summary, we are pleased that Condell Memorial Hospital has made such a substantial commitment to the people of Round Lake, and we anticipate a positive relationship with the hospital as our landlord and as the provider of newly available community health care services. Our independent practice of ambulatory medicine will continue under the name, Doctors on Duty (formerly Westlake Family Healthcare Center) and we will continue to refer our patients to the specialists and hospitals of their choice for more serious medical and surgical problems.

Sincerely,

Terrence S. Carden, Jr., M.D., F.A.C.E.P.  
President

## Damn Yankees 'heart-warming'

"Damn Yankees," the PM&L Theatre's next musical production which opens on May 31 in Antioch, should be a happy, heart-warming evening of theatrical entertainment.

"Damn Yankees" was first produced in 1956 during the height of the New York Yankees' baseball dynasty. In those days, there were two kinds of American League fans; Yankee lovers

and Yankee haters. "Damn Yankees" is about one fan's dream of the last place Washington Senators winning the pennant; achieving the seemingly impossible. It's a delightful show with catchy, fun melodies and lovable characters.

"Damn Yankees" performance dates: May 31, June 1, 7, 8, 14 and 15, at 8:30 p.m. Sunday matinee at 2:30 p.m., on June 9. Admission is \$5 with discounts for students and senior citizens.

The PM&L Theatre is air-conditioned and is located at 877 Main St. in downtown Antioch. For reservations and more information call (312) 395-3055.

## Area residents excel

During the first week of training, students underwent a rigorous physical training program and received instruction in the theory of parachuting. The second week they received practical training by jumping from 34-foot and 250 foot towers. The final week they made five staticline parachute jumps including one night jump.

## Zone change affordable

LEE ANN MACKULIN

Changing the zoning of Johelia Country Lane Estates from single family to duplex lots would increase the affordable housing available in the village of Antioch.

Until now it "wasn't economically feasible" to develop on this property, said Village Clerk Marilyn Sterbenz. A developer has recently been to look at the area she said, suggesting the two-family lots.

Presently, "there aren't

many houses on this property," said Sterbenz.

"Young people can't afford \$80,000-\$90,000 homes," she said. The two-family lots would be practical for the younger families wanting to move to the area.

"I can't see a lot of people opposing this. We're running short of lots," said Sterbenz.

The proposal will be brought to the Antioch Zoning Board of Appeals at 7:30 p.m. May 29 in the village hall. Interested residents are invited to attend.

## Bike-A-Thon Coming

Northern Illinois Council on Alcoholism and Substance Abuse is doing something to break the drinking/drug problem among the youth. It is providing youth programs.

You can help by taking part in the Northern Illinois Council's 4th Annual Bike-A-Thon, on Sunday, June 2. You can be a sponsor. You can be a biker. You can be a participant. A day-long series of happy events will mark this fund-raising occasion, whose proceeds are earmarked for youth programs.

Prizes, trophies, breakfast, lunch, music, t-shirts, fun and friendship are scheduled. The council needs

you to make the 4th Annual Bike-A-Thon a success.

There will be two routes for bikers: A 55-mile ride through rural areas and towns west and south of Waukegan, or a 20-mile ride northeast of Bridge House.

It's time to get in biking condition. It's time to start raising pledges. It's time to get started in helping in this worthwhile and enjoyable event.

All monies raised will be used for youth programs and peer leadership training. It will also partially fund youth prevention services which include free or low cost use of films, speakers for programs and other available provisions.

You can do something about the youth/alcohol substance abuse problems. Be a part of the June 2 Bike-A-Thon.

Sponsor sheets and more information are available by calling the council at (312) 244-4434 and asking for Bob Cimaglio or Betty Golien.

## Interest

(Continued from Page 1)

by staff members and other minor unexpected increases.

The board also selected the option to rebate to the taxpayers from succeeding levies, the amount of interest received from the county earned on the school's money between disbursements. Because of a lawsuit filed against a county by an Ill. School Dist., ACHS now has the choice of collecting the interest the county makes on taxes from the time they are collected to the time those monies are dispersed to the school

districts or given that interest to support the county jail.

ACHS elected to collect the interest from the county, put it into the general fund thus saving taxpayer's money. County will lower the next year's levy by that amount.

Assistant Supt., Gary Allen, reported on plans to offer a two credit graduate level course in "Sportsmedicine" (Athletic training) through Northern Illinois University.

## Dealers

The Ford Escort is presently the No. 1 selling car in the United States, said Burns.

"We've worked out a package deal combining just the right boat with just the right car," said Burns.

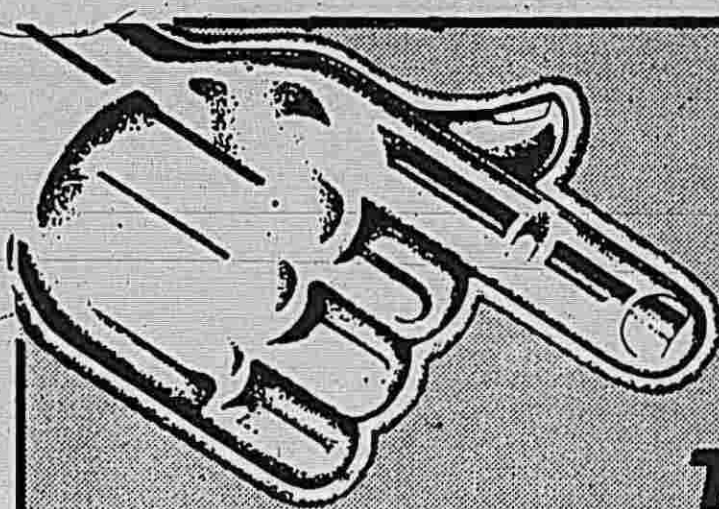

The two dealers consider this the 'entry level' package and are planning to offer various packages for various tastes.
